

Hello Everyone!

Hope you have enjoyed the first week back to learning at home. I am missing you all and can't wait to see you. I hope you are all being brilliant for your adults and giving them a rest too.

I have put together some activities below for the next week. Keep going with your Athletics and Bug Club as normal. We will carry on this week with the topic of the Human Body and a focus on the 5 senses. The BBC have launched a new website which will have lots of great resources every week - feel free to explore this if you want.

As always, if you have any problems, questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can ☺

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone
