

Hello Everyone!

Hope you are all well and you are enjoying learning at home. I am missing you all and can't wait to see you. I have enjoyed hearing about all of the work you have been doing at home. I hope you are all still being brilliant for your adults and giving them a rest too.

I have put together some more activities below for the next week. Keep going with your Mathematics and Bug Club as normal. We will carry on this week with the topic of the Human Body and a focus on the question 'How can I keep my body healthy?'. I would like you to think about healthy eating and keep a daily diary of the food you eat. Some foods are good for our body and some foods are not good for our body. We need to eat different foods to keep our bodies healthy. Don't forget to have a look on the BBC's new website which will have lots of great resources every week - feel free to explore this if you want.

As always, if you have any problems, questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can 😊

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone

### Monday

Read a book on Bug Club - [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)  
Practise Phase 3 and 5 sounds. Can you read and spell words beginning with 'f'? e.g. frog  
Read and Spell Phase 2,3, 4, 5 tricky words in your sound/homework book.  
Complete a Time, Money & Data activity on Mathletics - [www.mathletics.com](http://www.mathletics.com)  
Count to 20, 50, 100 in steps of 1, 2, 5 and 10. Order the numbers.  
Healthy eating is important to keep your body healthy. Can you make two lists of food that is good and food that is not good? Make a chart for the week of different food you eat.  
Human body -KSI-Science- BBC bitesize - [www.bbc.co.uk/bitesize/topics/z9yyzcdm](http://www.bbc.co.uk/bitesize/topics/z9yyzcdm)

### Tuesday

Read a book on Bug Club - [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)  
Practise Phase 3 and 5 sounds. Can you spell words with the ph sound? e.g elephant, photograph  
Read and Spell Phase 2,3, 4, 5 tricky words in your sound/homework book.  
Complete a Time, Money & Data activity on Mathletics - [www.mathletics.com](http://www.mathletics.com)  
Count to 20, 50, 100 in steps of 1, 2, 5 and 10. Order the numbers.  
Fruit and Vegetables are healthy. Can you find 10 different fruits and 10 different vegetables? Taste them, draw a picture of them, label them.

### Wednesday

Read a book on Bug Club - [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)  
Practise Phase 3 and 5 sounds. Can you spell words with the ff sound? e.g cliff  
Read and Spell Phase 2,3, 4, 5 tricky words in your sound/homework books.  
Complete a Time, Money & Data activity on Mathletics - [www.mathletics.com](http://www.mathletics.com)  
Count to 20, 50, 100 in steps of 1, 2, 5 and 10. Order the numbers.  
Milk and dairy products are important to keep our bones and teeth strong. Can you name any food which is a dairy product?
