

Hello Everyone!

Hope you are all well and enjoying your learning at home. It was lovely to speak to some of you and your families on the telephone. I enjoyed hearing about all of the things you have been doing. I am missing you all and cannot wait to see you soon. I hope you are all still being good for your adults and giving them a rest too.

I have put together some more activities below for the next week. Keep going with your Mathematics and Bug Club as normal. I keep track of all your learning every day and some of you have been reading so much you have moved onto a new reading level. This week we will continue to learn about the Olympics and the different sports that are in the Olympics. We will also continue to learn about countries around the world. This week it's going to be one of my favourite countries which is Spain. Don't forget to have a look on the BBC's website which will have lots of great resources every week - feel free to explore this if you want.

As always if you have any problems, questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can ☺

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone

Monday

Read a book on Bug Club – www.activelearnprimary.co.uk
Can you spell words with the sound 'ee'? e.g leek
Practise Phase 3 and 5 sounds-www.monsterphonics.com
www.phonicsplay.co.uk
www.phonicsbloom.com
Complete a Multiplication and Division activity on
Mathletics – www.mathletics.com
Time– Read the time on the clock to 'o'clock'.
Can you find 5 sports that are in the Olympics? Can you
find out how to play them?
