

Hello Everyone!

Hope you are all well and continuing to enjoy your learning at home. I hope you are all still being good for your adults and giving them a rest too.

I have put together some more activities below for the next week. Keep going with your Athletics and Bug Club as normal. I keep track of all your learning every day and some of you have been reading so much you have continued to move onto new reading levels. This week we will continue to learn about the Olympics and the different medals that athletes receive in the Olympics. We will also continue to learn about countries around the world. I hope you enjoyed learning about my favourite country Spain last week. This week it's going to be a country very close to Spain which is France. Don't forget to have a look on the BBC's website which will have lots of great resources every week - feel free to explore this if you want to. It's also Father's Day this week on Sunday 21st June. Perhaps you can make a card or something crafty to give someone special in your family.

As always if you have any problems, questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can ☺

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone

Monday

Read a book on Bug Club – www.activelearnprimary.co.uk
Sentence Writing- Can you join two sentences together using the conjunction 'as'? Don't forget your full stop and capital letter.
Complete a Statistics activity on Mathletics – www.mathletics.com
