

Hello Everyone!

Hope you are all well and you have had a good half term holiday. The weather has been wonderful I hope you have managed to get outside and enjoy the sunshine. I am missing you all and cannot wait to see you soon. I hope you are all still being good for your adults and giving them a rest too.

I have put together some more activities below for the next week. Keep going with your Athletics and Bug Club as normal. I keep track of all your learning every day and some of you have been reading so much you have moved onto a new reading level. Our topic this term was going to be linked to the Olympics and the human body however they have obviously cancelled the Olympics! This week we will continue think about the Olympics and countries around the world. Don't forget to have a look on the BBC's website which will have lots of great resources every week - feel free to explore this if you want.

As always if you have any problems. questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can ☺

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone

Monday
