

Hello Everyone!

Hope you are all well and continuing to enjoy your learning at home.

I have put together some more activities below for the next week. Keep going with your Mathematics and Bug Club as normal. I still keep track of all your learning every day and some of you have been reading so much you have continued to move onto new reading levels. This week we will continue to learn about countries around the world. I hope you enjoyed learning about America last week. This week it's going to be Australia. Can you find it on the map of the world? Don't forget to have a look on the BBC's website which will have lots of great resources every week - feel free to explore this if you want to.

As always if you have any problems, questions or need help, then ask an adult to email school and I will do what I can to help you.

Please don't worry about this work just do what you can ☺

Looking forward to seeing you all when this strange time is over. I know you will all be doing me proud at home just as you do in school.

miss brackstone

### Monday

Read a book on Bug Club – [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)  
Practise Phase 3 and 5 sounds. [www.phonicsbloom.com](http://www.phonicsbloom.com)
