

Home School Agreement –COVID 19 (updated September 2020)

The school will do its best to –

Provide an environment which has been risk assessed in response to the COVID-19 infection
Adhere to the social distancing rules as set out by the government as much as we reasonably can
Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs
Contact parents/carers if your child displays symptoms of COVID-19
Inform you if staff or children in your child's 'bubble' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative
Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlined in this agreement;
Communicate between home and school through newsletters, text, email, Facebook and the school website

To help my child in school, *parents know and understand that –*

If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone
If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately; they will need to self-isolate for 14 days or until tested negative
Should a child or adult show symptoms and test positive for COVID-19 then the whole group (bubble) that the child was in will be sent home and they must self-isolate for 14 days.
On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
Only one adult should drop off or pick up
When dropping off and picking up, I will strictly stick to the school timings for my child
My child will only bring in items from home that have been agreed by the school e.g. reading book, homework book. There is no need for a bag at this time.
My child may have their temperature taken during the day, especially if they feel or present as being unwell
I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully
My child will need to use good respiratory and hand hygiene
I will not be allowed into the school without a pre- arranged appointment – make appointments via telephone or email
If my child's behaviour results in staff and children being unsafe, I understand that I may be asked to come into school and discuss the behaviour with staff and my child.
Read all letters/messages/emails that are sent home and action as requested
I need to inform the school immediately of any changes to parents/carer and emergency contacts details.
My child should wear school uniform. This will need to be washed each evening
Ensure your child and wider family adhere to social distancing rules outside of school in the interests of keeping staff and children safe in school.

Children will do their best to –

Adhere to the social distancing rules in class and in the playground
Tell an adult if I feel unwell
Not bring things into school from home, or take things home from school
Only use the equipment provided to me by school and no other
Not mix with any other children in the school who are in a different group to them
Only enter and exit the school building from the designated gate at the designated time
Follow good respiratory hygiene: coughing and sneezing into elbow or tissue (catch it-bin it-kill it);
Regularly wash hands– use soap and water for 20 seconds/ hand sanitiser;
Only use public transport if absolutely necessary and ensure I socially distance and wear a face covering, if I do;
Behave well at all times to maintain the safety of myself and others
